

# MASTER

The pure neutral shade and the matt surface do not only add life and depth to images, but also make large areas of text easy to read. Master is suitable for all types of printed matter. Master comes in two different shades and has a raw surface which gives that special “paper feeling”.

Master has a high natural whiteness, high opacity and is uncoated. The paper is made from wood-free, chlorine-free pulp and is neutrally sized.

The wide assortment of shades, surfaces and grammages is perfect to build your corporate profiling schemes from.

Ideal for:

- advertising materials
- text and picture books
- annual reports
- envelopes
- letter paper, etc.
- covers,
- postcards
- business cards.
