

OLIN Smooth

Touch a sheet of Olin Smooth and you'll find a surface that's delightfully soft, with excellent formation. Add to this its opacity and you have a printing paper which gives the most superb colour reproduction, even when printed both sides.

Ideal for:

- Invitations
- Newsletters
- Leaflets
- Direct Mail
- Book Inserts
- Seminar Kits
- Brochures
- Press Kits
- Luxury Packaging
- Letterheads
- Envelopes
- Reports
