

RIVES Design

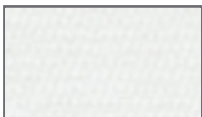

Rives Design's pattern gives it a fine, mesh-like texture and a contemporary, geometric identity. With a fine, mesh-like texture, Rives Design is a contemporary yet elegant uncoated paper. Also available in Tradition and Tradition i-Tone® – an Indigo certified sheet. Proudly manufactured by Arjowiggins Creative Papers

Arjowiggins' concern for the environment is a priority and they manufacture Rives with elemental chlorine free pulps.

Ideal for:

- Annual reports
- Brochures
- Cards
